...good words are still dying all around us. There is that good word "Evangelical." It is certainly moribund, if not already dead. Nobody any longer seems to know what it means.

Does anybody in the world know what "Evangelical" means, in our current religious speech?

The other day, a professedly evangelical pastor, serving a church which is certainly committed by its formularies to an evangelical confession, having occasion to report in one of our newspapers on a religious meeting composed practically entirely of Unitarians and Jews, remarked with enthusiasm upon the deeply evangelical character of its spirit and utterances.
